CIRCULAR

In view of the results of university examination held during September 2021 it has been decided that remedial classes shall be conducted for all the students who have not performed well. These remedial classes are conducted to reduce the shortcomings of the students and help them write better during the university examinations. Hence all the below mentioned students should attend the remedial classes without fail. The remedial classes shall be held thrice a week and the students with any other specific problems can approach the concerned faculty members for the same. An assessment test will be conducted at the end of the remedial classes to all the students similar to university examinations and the result will be put on the notice board.
