Phone no: 7842388869

OBJECTIVE OF FDP:

- Promote awareness of cervical cancer screening in line with the WHO global strategy.
- Create awareness of the facilities and infrastructure available at the nearest healthcare facilities in the community, targeting mainly adolescent girls and men and women in the reproductive age group.

OUTCOME OF FDP

The speaker spoke about the early lack of awareness of risk factors and symptoms, which might lead to late diagnosis and eventually to poor prognosis.

This FDP is useful for the members in gaining sound knowledge on cervical cancer and helps on it to improve their understanding
