Sub –job offer letter for dentist.

Dear D. D. ANANTHA LAKSHMI

We are very happy to inform you that you have been selected as a dentist at our esteemed hospital that is SAI SHAURYA DIABETES AND DENTAL CARE. This selection was done on the basis of the last interview which was conducted at Amalapuram on March 18, 2021 .

You can receive an emergency call from the hospital at any time . Your salary will be credited to your bank account at the beginning of each month and you will be paid extra for extra shifts. If you are interested in joining this hospital as a dentist then you can start work from April 2021 . Proper dress code should be maintained and code of conduct of the hospital should be followed.

We believe that you will perform well in this job. If you are interested then kindly sign the terms and conditions form attached to this letter and submit it on the company's website before April 2021. We are looking forward to working with you and hearing a positive response from your side.

Thank you so much for your valuable time.

Dr. Sabari M Nair, Chief dental surgeon (Reg No. 23640)

Dear Y. SUNIL

You have been selected at the position of a dentist at our institution and you are thus required to visit us immediately on January 2021 for completing the formalities relating to your offer letter and also to get your joining date with the institution.

You are expected to be very disciplined and dedicated to your work and at the same time serve as a role model to other employees at the institution. Any laid-back attitude will not be tolerated or excuses so you should be alert and attentive all the time and ready to act when required.

All the employees are required to behave ethically and irresponsible behavior will result in immediate termination of their employment. You are further told to go through the rules and regulations mentioned on the institutions website and revert back to us if you have any issues.

We are glad to have an employee like you and hope to accomplish something significant with your contribution.

Regards,

Dr. SABARI M. NAIR
