## REPORT

Name of the programme: One day workshop on “Professional Ethics”

Organised by: Department of Public Health Dentistry

### RESOURCE PERSON:

Dr. B. Ranga Rao

Head of the department

Department of forensic medicine

Konaseema institute of medical sciences

Ph no: 8247825800

### OBJECTIVE OF FDP

- Update the knowledge regarding Professional Ethics
- Application of Professional Ethics in day-to-day practice
- Procedure to teach the students about this

### OUTCOME OF FDP

Helps in gaining sound knowledge on Professional Ethics and guiding the staff on the same.

Ethics affect virtually every decision made in a dental office, encompassing activities of both judging and choosing. Ethics affect relationships with patients, the public, office staff and other professionals. There are five fundamental principles that form the foundation of the ADA code: patient autonomy, nonmaleficence, beneficence, justice and veracity. Principles can overlap each other as well as compete with each other for priority.
