SPOT LIGHT ON CERVICAL CANCER – A DISEASE DRIVEN BY INEQUALITIES.

Date: 1st JULY 2019

Venue: Lecture Gallery 2

Speaker: Dr SMITHA

Professor

SUMMARY:

Around the world, a woman dies from cervical cancer every two minutes. Without action, cervical cancer deaths will almost certainly rise a further 50% by 2030. Nine out of 10 deaths occur in low and lower-middle-income countries. Clear inequities also exist within countries, driven by gender discrimination and poverty. In addition, women and girls living in remote areas, as well as refugees, migrants, indigenous populations, and other vulnerable groups face considerable barriers to accessing healthcare services. As a concept of we must ensure the same lifesaving services are available to all girls and women. We at KIMS Dental college & Hospital conducted a seminar on spot light on cervical cancer and its vaccination was clearly explained to all the female students and faculty.

TRANSFORM EDUCATION- TRANSFORM GENDER EQUALITY

Date: 12th SEPTEMBER 2019

Venue: Lecture gallery 1

Speaker: Dr SWATHI

ASSOCIATE PROFESSOR

KIMS COLLEGE OF PHYSIOTHERAPY

Contact: 6304479533

SUMMARY:

When we transform education, we also transform the global trajectory of gender equality. We can all agree that education is a fundamental right. We must transform the power relations and the harmful norms, stereotypes and biases that pervade—and degrade—our education systems. We must create safe learning spaces, in person and online, that not only protect girls and women from gender-based violence but propel their creativity, potential and innovation. So keeping the above said in mind we at KIMS Dental college & Hospital we conducted a awareness lecture on Transform Education- Transform Gender Equality.

All the faculty and students actively participated in the lecture.

The Constitution of India plays a pioneer role in protecting the women from discrimination and ensuring gender justice in the present times. It can be said that the Constitution being supreme law of the land significantly addresses the questions related to woman and responds to the challenges. There are adequate legislations in India which not only removes the discrimination against women but also empowers the women.

So we, at KIMS Dental college & Hospital conducted a awareness lecture by our institute advocate on gender discrimination laws, he enlightened all the students and faculty about their laws and how to protect them.
