REPORT ON FDP

Name of the programme: 3day faculty development programme on Disaster Management

Organized by: DEPARTMENT OF PUBLIC HEALTH DENTISTRY

Resource person: Dr. Narayana Rao

Professor

Department of Public Health Dentistry

Ph no: 9347765444

OBJECTIVE OF FDP

In order to collaboratively investigate the development, management, and application of specific science projects in the context of disaster risk management, this workshop aimed to assemble interested parties from across agencies, community groups, software developers, and educators.

OUTCOME OF FDP

The subjects discussed by the speakers included ethics, participation, community-based strategies, and technologies. Through a series of breakout sessions, participants identified key areas for research and development around the themes of "motivations for organising and participating in citizen science," "understanding the technicalities of citizen science," and "designing a framework and website for citizen science" to improve the general public's understanding of disaster management.
